WORK EXPERIENCE

ID Branding

Associate Designer
Portland, OR

June 08 — January 09

Began as an intern over the course of the Summer, hired on as a full staff member in September. Worked collaboratively as a member of the Creative department assisting on projects dealing with Brand Identity & Brand Culture. Worked exclusively on a variety of projects and interfaced directly with clients. Assisted with projects print & interactive projects, spent time developing skills in firm workflow. Responsibilities include production work, identity system design, supplementary identity support.

208 Studio

Design Intern
OSU Art Department
Corvallis, OR

Sept. 07 — June 08

One of ten competitively selected student designers working in a fully functioning studio which handles print, web and motion graphics projects for non-profit clients both within OSU and throughout the Willamette Valley. Helped in developing branding and identities, Web sites, multi-page publications, posters, and a variety of other projects in a collaborative setting.

OSU Printing & Mailing

Design Intern
Printing & Mailing Services,
Business Services
Corvallis, OR

March 06 — June 08

Performed a variety of tasks including:
Design work for on and off campus organizations, print production, pre-press management, web design and Web site administration. Also team taught beginning and advanced InDesign workshops for OSU staff, faculty and students.

Appointed Senior Designer in September 2007; Responsibilities included overseeing collaborative projects, managing the student designer workflow and training newly hired design interns.
